GOthic SIDEBOARD. DESIGNED BY MR. PHILIP WEBB.  
AND MADE BY MORRIS AND COMPANY IN THE EARLIEST DAYS OF THE FIRM AT RED LION SQUARE (C. 1862).

# FURNITURE AND DECORATIVE WORK.

MORRIS & COMPANY specialise particularly in two classes of furniture :—

1.—**Cabinet Work** of the highest standard, as regards design, workmanship, seasoned woods, figured veneers, and inlaying.

The specimens shown in the following pages include some pieces which are equal to the best productions of Chippendale and Sheraton in all of these particulars.

The firm has had the advantage from its earliest days of association with architects who are masters of furniture design, notably Mr. Philip Webb and his pupil Mr. George Jack.

2.—**Joiner-made Furniture**, or what may be described as “**Cottage Furniture**,” solidly made in oak, stained ash, or painted pine. Specimens of this work are to be found in many of the most artistic houses in the country. They are strongly and yet neatly made, without any undue expense or superfluous finish. Excellent for bedrooms especially.
